Potentate

The last four years have gone so quickly. Now, the anticipation and excitement of becoming your next Potentate is like a child excited about opening the presents under the tree. To many Christmas is just a holiday to many and a stressful one at that. It's a time for buying gifts that didn't need to be bought out of a budget that couldn't afford them. It's a time for squeezing parties and extra events into a schedule that was already too full. It's a time in which many feel rushed and overcommitted when what they really need is to slow down and enjoy the season.

Christmas should be a time of peace, not of fear and unrest. We fear we may overlook someone on our gift list, or maybe they won't like what we bought them, or perhaps they will think our gift too cheap. Christmas should be a time of hope. Christmas should be a time of love centered around the greatest love story ever told, the story of God who so loved the world that He gave His only begotten Son. Christmas is the story of God's greatest gift given to meet our greatest need, because God is Love. The Christmas story is a tale retold year after year, yet it never loses its majesty and it never ceases to fill our hearts with wonder. Just like our Shriner's hospitals story never seems to lose the wonder of all the doctors do for our kids. The smiles and warmth you feel from the staff and kids when visiting. I can think of nothing better than that love I feel for each and every child we help.

Envision an artist painting a winter landscape. He paints the ground beneath a blanket of snow, with pine trees their limbs capped in white. Then, with a few deft strokes of his brush, night fell on the canvas and the entire scene was covered with semi-darkness. A grim log cabin was barely visible in the shadows. Finally, the artist dips his brush in the yellow paint of his pallet, and carefully added to one of the cabin windows the warm glow of a lamp. The lonely light totally changed the tone of the picture, replacing the gloomy chilled night with a warm and secure homestead. What happened on that canvas happened two thousand years ago on the world's canvas. A tiny baby came into a grim and dark world, shining light across the barren landscape, a light that still invites men to come into the warmth of God's grace and find their peace, hope, and love.

I thank all of you for your gift of friendship, love in what we do as Shriners, and encouragement during my journey to the East. I am hopeful that I will lead in a way that you will be proud to have elected me to follow this wonderful path. As I think of all the blessings God has bestowed on me, supporting our kids and the ability to work with all of you places very high on my bucket list.

From Elaine and I, we wish you a Joyous Christmas and Happy New Year full of peace, hope and love.

Mike Moore, Potentate

Club and Units

Now that it is a new year Kaaba office is asking that all Club & Units fill out their financial statement and get them to the office. The statement and directions are on the web page kaabashrine.net in the forms section. This must be filled out and back to the office by February 21st

Also all club must paid \$150.00 for insurance and \$250.00 Unit please remit with payment as soon as possible so that your events and parade participation is covered!

One last thing if you have not sent your officers for 2020 and your Club or Unit Calendar in to the office yet we need that as soon as possible.

Please act quickly on these so that all liabilities are covered for the year, and we can get down to the business of having fun!

Chief Rabban

Nobles,

Thank you for your support in electing me as your Chief Rabban for the year 2020. I am honored to serve you.

The weather isn't being nice to us this January, but at least we don't have iguanas falling from the trees, like is happening in one of the southern states.

The Club and Unit meeting will be at the Columbus City Lodge again this year on February 8th. We will begin at 10:00 and will be finished by about 2:00, with lunch being served. Potentate Michael Moore has a lot of new information to share with everyone. We are looking for a good turnout.

Again this year I will be at as many club meetings as I can.....the calendar gets pretty full sometimes. Please make sure we know when and where your meetings will be held.

Now is the time to plan your own 2020 calendar. There will be many exciting opportunities for you to spend time with fellow Nobles, and learn more about the Shrine mission. In May we can all party with Mike Moore as we celebrate his year at the Potentate's Ball. From July 4th thru 9th the Imperial Shrine meeting will be held in Kansas City, Kansas. This is a great chance to meet the Imperial Officers and learn more about our worldwide organization - and it's only a 4 hour drive!! Our Central States Shrine Association meeting is also very close this year, to be held in Springfield, Missouri, September 2nd thru 5th. Let's have a great KAABA turnout for these FUN and informative events.

Reg Hughell
Chief Rabban

Assistant Rabban

Greetings Nobles and Ladies,

I would like to thank the nobility of Kaaba shrine for putting their faith in me by electing me to the position of Assistant Rabban for 2020. I am looking forward to serving all of you and representing Kaaba.

I feel we have a Divan that works well together and our leadership will be strong but we need you to help make our temple strong also. A lot of clubs are getting smaller, we need to find new members to keep our clubs and units growing. Our Imperial Potentates message is Just One, if every noble can sign just one new noble our membership will thrive. If there is anything I can do to help restore or sign new members please let me know. As always any questions, comments or concerns feel free to contact me. My number is 319-750-7997

Email mcreschly@farmtel.net

Yours in faith, Mike Reschly

High Priest And Prophet

Greetings Nobles and Ladies,

I am extremely honored by your continued support in electing me as your High Priest and Prophet for 2020. It has been my pleasure to visit some of the clubs and units that support Kaaba Shriners during the last few months and the Christmas parties that I was able to attend were certainly a lot of fun. Blackhawk Shrine Club booked a saxophone duo to play Christmas songs and the Ft Madison Shrine Club had a fun gift exchange followed by a raffle with lots of great prizes. I plan to visit even more of our clubs over the next year as my responsibilities within the divan increase. I look forward to attending Oriental Guide training in Tampa this spring with our new Oriental Guide and meeting some of our counterparts from other temples.

As always, if you need anything that I can help you with, please email me at monte.harris1@gmail.com or give me a call at (563) 320-3888.

Fraternally yours,

Monte Harris
High Priest & Prophet

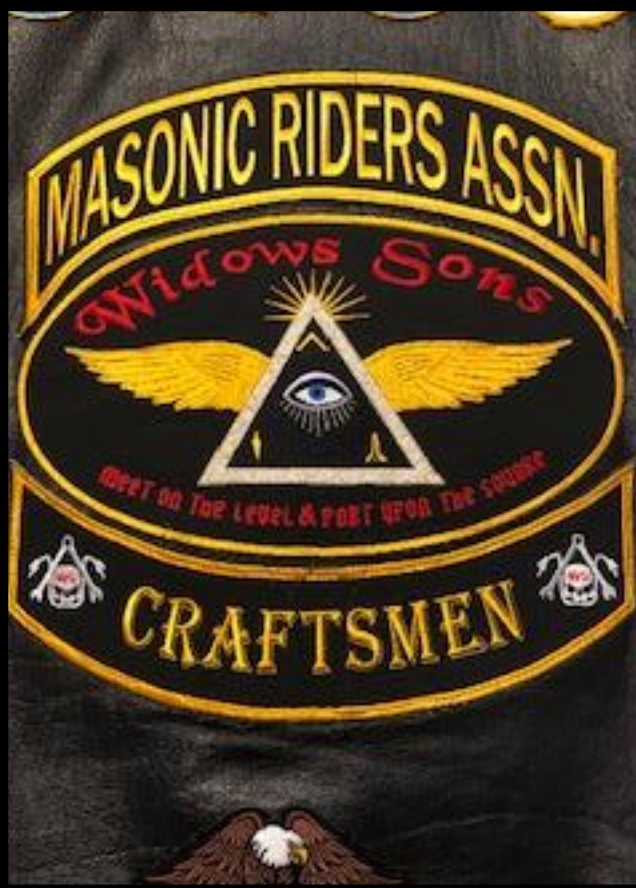

Have you ever heard of the Widows Sons

Masonic Motorcycle Riding Association? The Widows Sons are an independent group of International Master Masons who ride motorcycles, and have organized to perform the laudable undertaking of aiding and assisting the Widows and Orphans of Master Masons, to promote and bring awareness to Freemasonry in the work of motorcycling, and to support local charities.

We are a motorcycle riding association. We are not a gang, a club, or 1% ers. We strive to be friends and on good terms with all other clubs, associations, and other riders we share the road with. While we do wear leather vests with chapter patches, it's only to show other Widows Sons riders who we are and what chapter we are with. It is not to claim any territory. We buy our patches, not earn them. We are all law-abiding Master Masons out to have fun riding our motorcycles, and raise awareness and money for local charities. We also ride to other chapter events to show support for their chapter and for their local charities. While the Widows Sons have chapters all over the world, in just about every Country, Iowa currently has 5

chapters across the state, and we are still growing.

Are you interested in joining? Are you a Master Mason in good standing with your lodge? Are you a motorcycle enthusiast and have a love for motorcycles and fun events? While owning a motorcycle and riding with us NOT required, it is strongly encouraged to have all our brothers ride by our side. However, if you do plan to ride with us, you must have a valid motorcycle license and own a motorcycle of any make/model that is at least 500cc with current insurance. If you have any other questions or concerns, please email us at office@kaabashrine.net and they will get you to the right spot. We look forward to hearing from you.

Civil War

Brotherhood Among Soldiers

It was a time not long after Ft. Sumpter had fallen and the war of Northern Aggression was well under way. The Yankees, had promptly flocked to Hilton Head and the Tybee Islands, the barrier islands on the opposite sides of the mouth of the Savannah River. Now the Savannah folks didn't mind much that the Yankees had stolen the good beaches, for the water was still a bit cool for Southern preferences and besides they knew the gnats and mosquitoes would teach the Yankees a lesson they'd never forget. So the Southerners as Southerners are willing to do sometimes, just waited.

They didn't have to wait long before the Yankees on Hilton Head sent out a messenger under a white flag. It seemed that the Yankees had among them a young soldier who had passed the Fellow Craft Degree before shipping out. The Yanks were just sitting around slapping gnats when it occurred to one of them that just maybe, there was a nearby lodge that could test him in the Fellow Craft Degree and raise him to that of a Master Mason.

As luck would have it, there was indeed a lodge in Savannah that would soon be having a Masters Degree. One morning not too many days later, a detail of Confederate Cavalry slipped across the Savannah River into South Carolina and traveled through Bluffton to the shore opposite Hilton Head Island.

From there, they escorted one Fellow Craft Mason and a number of Master Masons, of the Northern Persuasion, safely through the Confederate Lines, and back through about 35 miles of Confederate defenses to Savannah where the candidate and his witnesses were delivered into the lodge.

Records note that this Brother was indeed proficient in the Fellow Craft Degree and he was raised into the Degree of a Master Mason. That night another detail of Cavalry, no doubt Brothers to the man, slipped back across the Savannah River and safely escorted their Brothers back to Hilton Head.

Having read this story and many others from this time in our history, it clearly demonstrates that at the darkest time in our Nation's history, when brothers were killing brothers, Brothers could still be brothers.

"IN MEMORY OF OUR DEPARTED BROTHER NOBLES"

When Allah calls, then our friends obey and fold their tents and steal away.
To the land where the crystal waters flow, where the Beautiful Palms of Allah grow.
Life is a story in volumes three, the past, the present, the yet to be. The first we've written and laid away,
the second we're reading day by day, The third and last of the volumes three, is locked from sight.
God keepeth the key.

As far as the office knows there have been no Black Camels since last Kaabagram

Blast from the Past

The Holidays are over Things have slowed down a little for most of us. I'm sure some are glad it's over others have a little remorse. All in all I hope everyone had a great holiday season and will have a happy and prosperous New Year.

This article was planned to be about a longtime Noble and brother that you see in the photo of the young soldier. After I visited with this Noble and started to write the column I realized I would need more time to give it the attention it deserves. So my deepest apologies to all that was looking for that article. Guaranteed, his story will be in the next Kaabagram and you don't want to miss it. In the meantime try to figure out who he is, I think most of us know him.

The photo of Illustrious Sir Ruehman is from 1950 I think from a parade in Davenport that was when Kaaba had approx. 5,000 members. I'm not sure if that's a 49 or 50 ford but I wish I had it. As always if you see anything I put in this article that's wrong feel free to correct me or if you would like to add anything.

Since last Kaabagram we have elected our Nobility for 2020. I would like to congratulate III. Sir Mike Moore and the rest of the elected and appointed Divan. Remember as Nobles it is our duty to support and help these guys anyway we can. I did not run for treasure I thought I could serve Kaaba in other duties better but I would like to thank everyone that helped me out. I will be serving this year as public relations chairman but I have no committee. Anyone who would like to help out please contact me, Even if it's just an idea or a venue for advertising.

Last Kaabagram I talked about starting a sportsman club I had only a couple a people show interest in it. Spring is approaching and we will be having a meeting and some fun so keep your ears on the ground so you can hear when this is coming up.

We are attempting to make the Kaabagram better so The Kaabagram will be offering advertisements for businesses. The cost will be fifteen dollars for a business size ad for 1 issue or sixty dollars for a year. The Kaabagram will also be offering a classified column for non-business listings there is no charge. {Donations to the Kaabagram always welcome}.

This spring and summer I will be attempting to but together what we use to call Shriner Days {standing at a business's door and offering candy} we will need help with this endeavor. Shriner Days is a low overhead with the potential to be a very good fun raiser.

Remember our biggest problem is membership so support your blue lodge, parade, attend events show your Shrine Pride and lets blast from the past into a bright future
