## Potentate

Greetings nobles and ladies. I hope everyone is doing well. It has been a busy few months and it is hard to believe that I am almost halfway through my term as Potentate. As always, thank you all for your trust in me. It is an honor to serve. This last weekend was our combined

**KAABA/EL KAHIR Potentate Ball.** The ball committee created a luau theme that exceeded my expectations. The meal was delicious and Shriners DJ Service, between the music and dancing and the fun games, created a time that will not soon be forgotten. Thank you, Klay and Aimee Kirkpatrick and Dennis and Darcy Renfrew. I hope that everyone that attended had a great evening and a big thank you to you all for taking time out of your schedules to attend. I want to thank the ball committee; Darin and Tamber Mapel, Tracy and Martha Harris and Brian and Colleen Bean for the wonderful job with the hospitality suite and the incredible decorations in the ballroom. I am sure there are others behind the scenes that helped as well, so thank you. Judy Zeigler, with EL KAHIR, did an outstanding job of organizing the ballroom as well as organizing the grand entry (herding cats if you will). Everything went smoothly. Also, a big thank you to the members of the Legion of Honor that presented the Honor Guard duties. If there is anyone that I missed, thank you. It was an honor sharing this special occasion with our wonderful counterparts from EL KAHIR, Ill. Sir James and Lady Kari Voss. EL KAHIR was well represented at the ball as well as our good friends from ZA GA ZIG who greatly added to the fun. It was good to see Ill. Sir Jr and Lady Lora Legg join in the fun. To all that took any pictures, please use Kaaba 2025 to post on face book. I would love to see them.

I am still looking to fill committee spots. Again, the three committees needing help are the finance, membership and grievance committees. Please reach out to me if you are interested. These are not necessarily demanding positions, but they are very important in a properly functioning shrine.

The Imperial session is just over a week away as I am writing this and not too long after that, the Shrine Bowl. I am looking forward to both events. I hope to see KAABA represented well in the Shrine Bowl Parade.

As I have mentioned before, I have 30 rooms saved for KAABA for CSSA Ceremonial. If you want a room, please contact me. They would not let me save a block, so I had to save 30 rooms under my name, and I have to call to change my name out with yours. After I get a room in your name, you can call the hotel and let them know how many nights that you want to stay. They are set up for four nights right now, but you can change that.

Well, that is all for now. Have a great

Summer! It is almost time to celebrate the 4<sup>th</sup> of July and our wonderful country. God Bless

Nathan D. Stone

## Parade Season Safety Reminder

With parade season underway, safety is our top priority. As Nobles, let's ensure our events are fun and secure for everyone, especially our children. Here are key reminders:

- **Stay Alert:** Be mindful of your surroundings, including crowd movement and potential hazards like uneven surfaces.
- **Stay Hydrated and Protected:** Bring water and use sun protection to stay safe during long parade days.

Let's keep safety first to make every event enjoyable.

## Upcoming Events: Shrine Bowl and Parade

Mark your calendars for the Shrine Bowl on July 18–19, 2025, Iowa's largest fundraiser for Shriners. This is a fantastic opportunity to support our mission and connect with the community. Join us for the Shrine Bowl Parade on Saturday, July 19 morning. All units are encouraged to participate.

Thank You, Nobles!

## **Notes from Shriners Children's Chicago Board meeting 24 June 2025.**

**The June Board Meeting was conducted on 24 June 2025 at the Hospital. With a special board meeting at 9 AM, that was shortened so that a special 100<sup>th</sup> year Cornerstone Laying Program could be conducted. With special invitations being sent to each Masonic Center that supports Chicago, several Divan members of some of those centers were in attendance. After the normal Board meeting, a program was presented to all people invited to be there. The presentation consisted of how Chicago began and what it has become. In attendance were four former patients that told their stories. One lady relayed how she contracted Polio and the treatment she received from around the 1940 period. Looking at her walk, you would never have guessed that she had had Polio. One Gentleman related how his hands and fingers had been separated from being webbed and how he had served 20 years in the Navy and had become micro-equipment qualified. His goal was to give back to the Shriners and Hospital for all he had received. Today he is a Shriner and a Chicago Associate Board Member. All the guest speakers spoke of how their lives have changed because of what the Shriners had done for them. One even spoke of how he did not have a medical problem (osteogenesis imperfecta or brittle bone disease) but an inconvenience and to just deal with it. He is now a professional opera singer and did a beautiful job singing the National Anthem before the program began.**

**Some good news for individuals going to Shriners Children's Chicago. Project WI-FI now has network expansion completed to cover 99% of the hospital. This improvement will help with receiving medical records and within overall communications of all workers. It has gone from the previous 50% to now 99%. May patients' numbers. Surgeries: 116, in May all the surgeries came from 44 inpatients and 72 outpatients. On-site clinic visits were 1,678 individuals. New patients were 247. Rehabilitation visits were 1,523. Chicago is receiving patients from other hospitals that do not have the capabilities in children's orthopedics that Shriners Children's Chicago has.**

## KAABA SHRINERS

Nobles,

As you know the Kaaba Sportsman Raffle will be held on Saturday October 25, 2025. Another way that we raise money during the evening is to have a General Raffle of various door prizes.

I am once again asking all of the Clubs and Units to please donate cash or an item for the raffle. I will purchase an item and that Club or Unit or persons will be recognized for donating it. This not only allows the Club and Units or persons to be part of the raffle but will give them some recognition.

This has worked real well the in the past years.

I would like to have the item or money by at least **October 1, 2025** so we can get the items purchased. If you have any ideas for improving the Raffle I would appreciate it if you would let me know. I thank you for your help and as always "Thank You" for all that you do for "OUR KIDS" and KAABA Shrine.

Respectfully Yours

William Juhl
