ASSISSTANT RABBAN

Greeting Noble and Ladies.

I hope you all have been well and safe from Covid, we are still dealing with that and may for quite some time. I'm looking forward to a great year of activities and seeing all of you nobles and ladies. March we are starting up fish fries again which I'm excited about, let's start getting the word out now to your family and friends so we can make this a very successful year. I'm also looking forward to Assistant Rabban School, Imperial, Shrine bowl and CSSA this year. Let's welcome our new Potentate, brother and friend Mike Reschly and support him the best we can to make his year very successful too.

Thank You.

Assistant Rabban Brian Huff /Bjhuff62@gmail.com/563-271-2537

HIGH PRIEST & PROPHET

Greetings Nobles and Ladies,

I would like to sincerely thank the nobility of Kaaba shrine for putting their trust and faith in me by electing me to the position of High Priest and Profit for 2022. I am looking forward to serving all of you and representing Kaaba. I feel we have a strong Divan full of men and ladies that want the best for our Temple. By working together, our leadership will be strong, but we still need you to help make our temple even stronger. Your club attendance and participation are very important. Over the last year as Oriental Guide I saw how active clubs and units are a huge part of keeping KAABA strong. I plan on making as many club meetings as I possibly can to both get to know more of you as friends and brothers as well as support your club. Another important factor in strengthening our Temple is bringing in new members from your Blue Lodges or any other appendant body that you are involved in. Together we can strengthen and grow our Temple, clubs and units. If you have any questions, comments or concerns feel free to contact me. My number is 309-714-0169.

Nathan Stone
High Priest & Profit

ORIENTAL GUIDE

I am honored to be elected by you as your Oriental Guide for 2022. I was a member of Zenobia shrine in Perrysburg, Ohio and have paraded with the hillbilly's, Corvair's, Mystic's. I am looking forward to our upcoming parade season. I am a Past Master of Bryan #215 in Bryan Ohio. I am current JW of Silvis #898, SS of Doric #319 & SD of Snow Lodge #44. I am also Chaplin for Widows sons Craftsman Chapter. I've enjoyed attending a couple of clubs so far and I look forward to attending many more.

David Downs

Greetings Nobles and Ladies!

I trust you all are doing as well as can be expected during these trying times. Life just seems to keep throwing us curve balls. I hope that we can all experience life "post pandemic" soon. I want to apologize to my fellow brothers for basically having "disappeared". As a few of you know, owning a business is very hard nowadays considering the current hiring difficulties. However, I think that I have finally hired the right individual, which should allow me to get away to begin attending meetings once again. I remember saying at the end of 2019 that I wouldn't disappear. However I seem to have done just that. But, fortunately, it was a temporary situation.

I want to congratulate Illustrious Sir Mike Reschly and the entire elected and appointed Divan for this year! May your efforts improve all of?

Kaaba and have a positive impact on all you do.

I'll see you on down the road everyone.

Fraternally yours,
Vern Rode, P.P. '15 & '19

Thomas F. Hodges, [Board of Governors of Shriners Chicago](#)

Nobles, with the new year under way, I would like to update you on what is taking place within our Shrine hospital system. As most everyone has heard, the hospital is undertaking a new branding name change. In the past it has been Shriners Hospital for Children. The new name change is Shriners Children Chicago, St. Louis will be Shriners Children St. Louis, etc. Your Chicago hospital board is still meeting via Zoom. When we meet in person again depends on the time the Hospital deems it safe to do so. Hospital management is very concerned for the patients' and staff's safety during this Covid pandemic.

As the hospital system changes, there will be Centers of Excellence with many clinics. We just have to look at Twin Cities to get an idea of how the Shriners Hospitals may all be in a few years. Twin Cities is attached to a major hospital, with several clinics throughout the Mid-West areas. Shriners Chicago is in negotiations with a major hospital in Chicago to partner with and share space and equipment needed to become a center of excellence. Although we will have many clinics, our Shriner doctors will be the medical professionals that sees and treats our children in those clinics and hospitals.

Where are we going: I was able to attend a Mid-West meeting and the project named is:

2035 Mission:

Mission statement: How to take care of more Kids, in more places, at a lower overall cost.

Highest Quality: Exceed the bar on quality (safety, clinical outcomes, and experience) set by professional standards organizations, supported by teaching, research, and education

Regulatory Compliance: Ensure all sites fully meet all applicable regulations (federal, state, local, international)

Care for Children in Need: Ensure financial access options are explored for all Shriners children, focusing expansion on areas with highest unmet need for SHC care

Shriners Brand and Experience: Protect and enhance the Shrine brand; promote the Shrine mission, values, and culture; and give Shriner's children the best experience

Economic Stewardship: Ensure sustainable spend and endowment fund stewardship

This is just the tip of the changes coming. As time passes, I will keep you informed as much as possible.

Fraternally,

Thomas Hodges, PP

Jack Stamm Memorial Tab Program

Since 1990, the “Jack Stamm Memorial Tab” program of Kaaba Shrine has sold 425,333 pounds of aluminum to raised \$224,381.93 for SHC - Chicago

We are grateful to everyone who has donated tabs, and we hope all will continue sending tabs to us!

Kaaba Legion of Honor

The Legion of Honor continued to represent Kaaba during the last part of 2021. In November the Legion of Honor presented the Potentate a Memorial Plaque representing members of the Legion of Honor who has passed away during the stated meeting.

Later in November, some of the members participated in the Davenport Veteran's Day Parade. It was a typical windy chilly Veteran's Day for us veterans and there was a crowd of people that came out. By chance we were positioned right behind Santa Claus (our very one Sgt Pepper) and his Santamobile.

During December, the Legion of Honor presented checks to Bettendorf and Moline Police Department for the Shop with a Cop program. Prior to the Stated Meeting Officer Christina Thomas gave the Nobles and Ladies a brief explanation of the program.

Afterwards a check was presented by the 2021 Commander of the Kaaba Legion of Honor Jose Lao and a collection was made amongst the attendees.

Kaaba's Legion of Honor meets on the third Saturday of the month with social time at 5:30pm with meal and meeting starting at 6:00pm. If you are a veteran who has been separated from the military honorably and express interest in joining the unit for fellowship and camaraderie, simply asking one of the Legion of Honor members or contact the Kaaba office and they will direct you to one of us.

Honoring those who have gone before us
"In Memory of Our Departed Brother Nobles"

*When Allah calls, then our friends obey and fold their tents and steal away.
To the land where the crystal waters flow, where the Beautiful Palms of Allah grow.
Life is a story in volumes three, the past, the present, the yet to be.
The first we've written and laid away, the second we're reading day by day,
The third and last of the volumes three, is locked from sight - God keepeth the key.*

SUBJECT: Positive Uplifting Ceremonials

The Shrine Directors Association's role is probably more important today than it has been at any time over the last 25 years, as there are more challenges today in attracting new members than ever before.

We recently met with the leaders of the Shrine Directors Association regarding concerns about hazing. It is vital for all Nobles to understand that ANY type of hazing; physical hazing, mental hazing or any activity causing any member public embarrassment violates both state and Shrine law.

The Shrine Directors Association will continue their ongoing efforts to exclude improper hazing activities and/or stunts. They will also promote the Arch Degree, the Knickerbocker Degree, team building, and new and unique activities to all of the events surrounding the creation of a new Noble, including the participation of his family. As we bring new and younger members into the Shrine with the hope and expectation that they will involve their families in our activities, it becomes even more important that the ceremonial experience is positive, uplifting, and memorable.

We encourage all temples to embrace the Association's efforts for encouraging the newly created Nobles to immediately become enthusiastic and engaged. We also believe that by providing a new and positive ceremonial experience, temples will abandon "hazing practices and/or stunts" that are actually prohibited by law in the vast majority of states.

While the Shrine Directors Association continues to work to strongly discourage the practice of hazing, they do not have the power or authority to impose discipline or to otherwise prohibit the practice at each temple. **Therefore, the Imperial Divan will stand shoulder to shoulder with the Shrine Directors Association's efforts to properly enforce the prohibition upon such practices.**

Thank you for your assistance in this matter.

RECORDER'S CORNER

Welcome 2022!! Kaaba had a good year in 2021, so let's make 2022 even better.

With the creations and the Black Camel Kaaba only lost 32 Nobles. This is down from 2020 which is great but I know we can do better.

I CHALLENGE every Noble out there to bring in 1 new Shriner in 2022.

Take them under your wing and show them how much fun and fellowship we have.

As parade season is coming up just remember to wear your fez and be safe.

Until next time....

Yours in the Faith,

Roger Kadel PP

Some Chuck Norris Facts

Chuck Norris uses pepper spray to season his meat.

If Chuck Norris were to travel to an alternate dimension in which there was another Chuck Norris and they both fought, they would both win.

Chuck Norris destroyed the periodic table, because Chuck Norris only recognizes the element of surprise.
